

# TREE ALERT

***Drought has again caused  
MASSIVE TREE LOSS in Cambridge***

***Let's Stop the Loss because  
Trees are Vital for People and Public Health***

***Help make the city***

- PREPARE for future droughts & heat waves
- FOLLOW its Urban Forest Master Plan
- STOP big increase of pavement in Linear Park
- PLANT more trees everywhere AND make sure they survive

***Together We Can Save Our Trees  
and Improve Climate Equity for All!***

**Meet in Danehy Park  
5:30pm Tues. Sept 27  
near picnic tables by Sherman St parking lot  
Come early to see Danehy's dead/damaged trees!  
(rain date Sept 29)**
